

Kite Pro Vision Petzl

Powered Air Purifying Respirator

- 1. Particle filter
- 2. Motor/fan
- 3. Petzl lamp
- 4. Clean airflow
- 5. Polycarbonate visor

DATASHEET

Product	Kite Pro Vision with Petzl lamp
Weight	1110 g (without filter), 1180 g (with filter)
Material	Motor unit: ABS Face seal: cotton, elastane Comfort pads: terry cloth
Visor	Polycarbonate, EN 166 B
Headband	Adjustable (55 to 68 cm)
Filter	Particle filter
Certification	EN 12941 TH3 P R SL
Nom. protection factor	500
Airflow	Electronically controlled, 160 l/min
Operation	On-off switch
Battery	Lithium Ion, battery life > 10 hours with new filter, charging time < 4 hours
Alarm	Audible beep (filter clogging and low level battery charge)
Lamp	Brightness: 350 lumens Energy: 3 AAA/LR03 batteries Lighting Color: white and red/green/blue Watertightness: IP67
Operating conditions	From +5 to +35°C (for comfort reasons)

This innovative air hood provides the user with comfortable and reliable protection. An integrated fan creates a slight positive pressure of purified air inside the visor, effectively shielding the wearer from airborne dust (both solid and liquid particles). The foldable polycarbonate visor also provides impact protection.

Thanks to its high wearing comfort, this air hood is extremely suitable for longer work shifts. However, the Kite Pro Vision also offers a solution for short interventions; due to its simplistic design and easy usage, the user can quickly put on and take off the air hood.

Ease of use

- An all-in-one PAPR device, simple and convenient, without a hose or belt-mounted motor
- An ergonomic and panoramic visor, easily foldable and convenient to use
- Compact system with perfect stability on the head
- The motor unit creates a clean and refreshing air flow

Performance

- The Kite Pro Vision is TH3 P R SL certified according to EN 12941 (Powered filtering devices incorporating a helmet or hood)
- The polycarbonate visor is certified according to EN 166 (Personal eye protection level B: medium impact)
- Ideal protection equipment for people with glasses or beards
- A durable product composed of parts that can be easily replaced by the user
